OPENING DAY 1960

WHAT IS A HARRIER? *prepared by Len Francis
of Masterton Club*

The Concise Oxford dictionary describes a harrier as a hound used in hunting hares, or a kind of falcon. Common usage, however suggests the term describes a species of human, a truly remarkable type found in most countries. It is generally realised that all harriers suffer from an incurable form of disease not listed in medical journals.

Custom demands that harriers move in packs and yet, except at the start of a race, it is unusual ever to see harriers running together. Custom also demands that, whilst the disease occurs only during the winter months, the New Zealand species should wear clothing of a very summery type.

Harriers come in all shapes, sizes and colours and are usually male, although tiny groups of females in recent years have been seen gathering in the more southern and cooler parts of the country.

Wives suspect all harriers are crazy; mothers-in-law are definite on the point. Girlfriends only just tolerate their strange meanderings and pointless jargon while most parents dislike the sport (it restricts their son's gardening activities) except those mothers who attend runs and discuss loudly the handicapper's treatment of their fond hope

Each Saturday finds harriers assembling in some room, shed or hall, entirely unsuitable for use as a changing room. Here, they proceed to divest themselves of layers of thick, warm, woolly clothing, which is shiveringly replaced by a singlet, usually wrinkled and slightly torn from some previous conflict with barbed wire, the colour which cannot be accurately described but is never that listed for club colours. Shorts are always ill-fitting and are neither long shorts nor short longs.

Harriers may carry their running gear under their arm, but it usually arrives at the changing room in bag, case or satchel, which has been discarded as useless by a previous owner - a strong sense of pride attaches to the age of the bag which often indicates the length of time one has been afflicted with the malady. When emptied, a bag is likely to contain 7 sox (usually muddy and full of holes) a safety pin, chewing gum, one spike shoe, a set of tangerine and black ribbons, two embrocation bottles, both empty, sticking plaster, 4 broken laces, a towel marked Masonic Hotel, a bandage (used), a bottle containing dregs of some recommended pre-race formula, a squashed packet of Heards Barley Sugar and an out of date club programme.

A harrier's conversation before any race comprises snatches of nervous questions and answers about sore muscles, girls, other member's form, sore joints, remarks about handicappers antecedents, sore feet, past trips, sore chest, oh and possibly something about their week's training.

Harriers, despite their apparent hardiness, usually show marked reluctance to strip and go to the mark, and inevitably some delay is experienced, either due to one of the runners having difficulty in discarding a jersey or a watch, or a shoe requires tying or a hurried dash to the nearest facility is deemed necessary.

The sight of this strange procession of scantily clad humans through the streets, often causes pedestrians to stand and gape, cyclists wobble violently, whilst most motorists invariably sound their horn or make derisive comments. Those suffering badly with this seasonal disease seem compelled to seek a trail which leads through gorse, mud, ploughed paddocks, deep streams steep hills and gullies, slippery tracks, high barbed wire fences, down precipices and cover endless miles, regardless of rain, hail or even snow. Those not so deeply afflicted content themselves with shorter runs over gentle slopes and easy plats and, incidentally, usually arrive back first to indulge under hot showers, leaving only icy cold water for those who come later. All harriers turn out every Saturday whatever the weather and regardless of health of self or family, while flu, stitch, hives, fractured limbs, chilblains, toothache or athletes foot are disregarded in the time honoured pursuit of an attendance certificate, which, when presented on closing day, is carefully placed in the spare room or window seat, never to see light of day again.

Conversation after the race is the same as the previous week and the week before that. The number of first placings harriers have lost through some unfortunate happenings such as lost shoes, lost trail, lost breath or lost pants, is quite remarkable - even near world records have been similarly lost.

At afternoon tea, a harrier displays manners which vary with age. Young harriers hurl themselves at cream sponges, meringues and iced cakes, push through the queue for cups of tea, liberally laced with sugar and when little else is left on the tables, finish off on scones or sandwiches. Older harriers do the same except the order is changed to tea first, sandwiches then cakes (if any), leaving only sufficient room for the refreshments which need to be consumed at the regular Saturday 5 p.m. special meeting.

And, when the harrier, competing in his last race, jogs ever so slowly along the milky way trail to the heavenly gates and knocks on the door, St. Peter, on seeing a breathless, slightly rotund figure in singlet and shorts, will turn to the angel and say, *"It's only a harrier who's lost the trail again - let him in!"*

A HARRIER CLUB IS BORN

Fifty two years ago Neil Craig and Tom Hurly, of Koro Koro and Petone respectively were members of the Olympic Harrier Club, Wellington. It was Neil who introduced Tom to the sport but the former's experience and considerable collection of trophies made him a formidable opponent not only to the Olympic Club members but also to the other clubs.

In those early days the 40 hour week was non-existent and at knock-off time - 12.00 o'clock on Saturday, a deluge of sporting people would be seen swarming on to Wellingtons old tramway system bound for their respective bases of sport.

It was during one of these occasions that Neil Craig suggested that it might be a good idea to form a Harrier Club in the Hutt Valley and interest grew strongly. Much assistance was forthcoming from the Olympic Harrier Club officials who really went out of their way to assist Neil Craig in the formation of a new club and eventually there appeared the Hutt Valley Harrier & Amateur Athletic Club clad in a black uniform with a blue diamond insignia on the jersey. (years later to be changed to tangerine and black).

The Hutt Club soon made a name for itself and runners like Dodge Dorne, Ally Dorne, Jack Dorne, Paddy Patterson, Neil Craig, Vic Smith, Cecil McCartly, Snowy Taylor, Runt Lewis and many others made the "Blue and Blacks" a formidable bunch to reckon with.

On the administrative side, the Club was distinctively fortunate in having the services of Matt Gough as secretary and Matt steered the Club through many years of its early successes as well as being a competitor himself.

THE "BOG"

Where now stand the Oil Installations at Seaview they cover what was once described by Harriers as the "Infamous Bog". Major events always included this, stinking, slushy knee-deep and much reviled area which never dried out even in the summertime. Inter-club events staged from the Hutt Park invariably produced howls of protests when it was learned that the "Bog" was a part of the course and the subject of the "Bog" was even brought up for discussion among the committees of the various Wellington Clubs.

Hutt Valley boys replied that they were prepared to tackle it themselves and so the "Bog" remained - a silent evil, challenging mess that defied all efforts to effect anything approaching a decent crossing.

The "Bog" finally fell victim to progress when it was filled with tons upon tons of hillside rock, but during this many trucks became bogged down and it was an education to hear the comments of the various drivers.

CLUB "CHARACTERS"

In the early stages the Club possessed several "characters" or "hard heads". There was Rongo Furness, guaranteed to entertain with more yarns than any other known guy - and every yarn different; Paddy Patterson a sterling runner and as hard as nails, credited with exclaiming to a new member whom he was running alongside - "I hear we've got a bloody parson in the Club, "Yes" was the reply, "that's me"!

Musically the Club was pretty well equipped:

Frank Lister was no mean artist at the piano as was Neil Craig; Murray Smith was a wizard on the piano accordion; Bill Smith (his brother) knew all there was to know about the clarinette, while Rongo Furness handled the drums very well. This trio took their equipment with them on numerous bus trips and their entertainment was of very high standard. Then there was Ross Carson with his bag pipes; if you want to hear real music sit in a bus while they're played therein! And perhaps, worth a mention Tom Hurly with his chromatic mouth organ. Finally George Turner who gave the best imitation of Bing Crosby one could hear. A really great bunch of guys that inspired Tom Hurly to write the Harrier Song:

*"We are all harriers, proud of our name
We burn up miles for the love of the game
In defeat or victory, we're always happy & carefree
Over the fences through bog and scrub.
Shout as we go - we're the Hutt Valley Club
Through wind and rain our creed, our claim
Hutt Valley will play the game".*

THE EARLY YEARS *as reviewed by the Club's
Historian, Bob Mitchell*

The Club was formed in 1923 under the guidance of J.W. Scatchard Club Captain of the Olympic Club.

A meeting was held in the Oddfellows Hall, Petone, on 6th March, 1923. Mr. Scatchard took the chair and gave a few remarks upon the meaning of the word "Harrier", and the best way in which to run a club. He then called for an election of Officers which resulted as follows:

PRESIDENT: C.H. Goddard; VICE PRESIDENTS: F. Aitchison, A. Cates, M. Spence
CAPTAIN: N.W. Craig; VICE CAPTAIN: C. Bowler; DELEGATE TO WELLINGTON
CENTRE: N.W. Craig; HANDICAPPERS: C.H. Goddard, N.W. Craig;
TRAINER AND STARTER: H. Sanders; AUDITOR: T. Aithchison; PRESS REPORTER:
D. Hope; SECRETARY: M.G.N. Gough; TREASURER: J. McCaskill; COMMITTEE:
C. Bowler, F. Davis, T. Hurly, H. Sanders.

The Club's first run was held at Hutt Park on 7th April, 1923. Thirteen runners, a President and Secretary, membership fifteen!!!!

George Dorne had the distinction of winning the Novice Trophy, Club Championship and being in the winning Craig Rose Bowl team in the first year of the Club's history. He also finished 6th in the Wellington championships. G. Dorne and R. Kent were the club's first Wellington representatives. G. Dorne was selected for the New Zealand team in the Australasian Championships.

The Club made an impact on the inter-club scene in its first year by winning the Vossellor Shield. The four man team comprised L. Payne, F. Sanders, F. Davis and A. Dorne. This win was repeated in 1924 with J. Cunningham, F. Sanders, J. Hitchcock and S. Sanders and in 1925 with R. Kent 2nd, G. Dorne 3rd, A. Newton 6th, J. Hutton 13th, N. Craig 18th, J. Dorne 23rd, D. Hope 25th, V. Smith 26th, J. Winnie 27th, L. Hitchcock 31st.

The Club also took the Whyte and McKay Shield in 1924 with G. Dorne, R. Kent, N. Craig and J. McKee. We were the first club in Wellington to win the two shields in the same season.

Late in 1923 it was decided to hold weekly athletic meetings over the summer months alternatively at Lower Hutt and Petone. The organisers of these meetings were Roy Kent, Waddington, Kennington and Dolph Kitto with Leadbetter as press reporter. Timber was bought and hurdles were made, and these proved very popular.

The year 1924 started out with a membership of twenty six and finished with 41. In May it was decided to buy some old car cases and iron to build a training shed on Hutt Park. A charge of threepence per night per member was charged to help defray expenses.

Dances were held at Petone at regular intervals, and these were very popular with members and those outside the club. It is interesting to note that a motion was passed that any member not attending the club dance without a good reason must bring a parcel for the club jumble sale.

In February, 1925 the club sent an official letter of protest to the Petone Borough Council on the removal of the cycle track at the Petone Recreation Ground. It was unanimously decided that a deputation from the club wait upon the council.

1925 was also the year in which the Dorne Cup was prestned to the Club for inter-club competition over five miles. Advantage was taken of the presence of the visiting Australian team to run a teams race in conjunction with the Dorne Cup. A Wellington team was selected to run against the visitors. The race was held over the Hutt Park course, and from the start the visitors threaded their way to the front. W. White (Victoria) won from R. Muir (Victoria), R. Whittle (Victoria), R. Swinburne (N.S.W.), M. McKenzie (N.S.W.), C. Weeks (N.S.W.) D. Todd (Wellington). The Wellington team was Todd 7th, Dorne 9th, Silver 10th, McKee 12th.

It was appropriate that we won the inaugural race for the Dorne Cup and that the three Dorne brothers were in the winning team. The team was, G. Dorne, J. McKee, J. Hutton, A. Dorne, J. Dorne, N. Craig, A. Eyre, V. Smith, T. Hurly, and D. Hope.

After the race the cup was presented by the donor Mr. G.W. Dorne, and the medals by Mr. C. Goddard. Mrs. G.W. Dorne presented to W. White the gold medal for being first runner home. The Victorian team were presented with greenstone tikis as a memento of their win in the special teams event.

Hutt Valley were second in the Wellington Championships, R. Kent 4th, J. McKee 5th, G. Dorne 9th, A. Dorne 19th. The club's "B" team dead heated with Olympic. Our team was T. Hurly 1st A. Eyre 2nd, V. Smith 6th, and J. Dorne 7th. The race was awarded to Hutt Valley as they had their team in first. Roy Kent was selected in the New Zealand team for the Australasian Championships. J. McKee and J. Hutton ran as individuals.

It was about this time that the club held a fancy dress ball, in the Heretaunga Hall, Petone. First price in the ladies section was won by Mrs. Dorne who was dressed as a golliwog. In fact it was a triumph for all the Dornes as Mr. Dorne won the men's section with J. Dorne runner-up.

The Bennett Memorial of 1926 was another triumph for the Club. Individual winner was Peter Wilson from our parent Club, Olympic. Roy Kent kept with Wilson most of the way and hung on for second placing. When half the distance had been covered these two were over half a mile ahead of the other 53 starters. In the "B" grade event for the Craig Cup our team came home easy winners. Winning "A" team was R. Kent, J. Mitchell, V. Smith, A. Dorne. "B" team, G. Gilchrist, F. Sanders, Barker, E. Oliver. The "B" team also had a great win scoring a possible 1, 2, 3, 4 with V. Smith, G. Gilchrist, R. Payne and A. Eyre. The "A" team finished third in their grade to Masterton and Olympic. Roy Kent 5th was our best placing.

The club purchased a billiard table for their clubrooms and a tournament for the Tarsonne Cup was held. These games were a great success and built up a wonderful club spirit amongst members. Table tennis was also played every night after training, and the club also had a well stocked library.

1926 was probably the club's best season so far, winning four of the five inter-club races. The list of successes included the Vosseler Shield, Dorne Cup, Sanders Cup, Bennett Memorial, Craig Cup and third in the Wellington Championships.

At the half yearly meeting in 1927, a deputation was received from the Petone A.A. Club, stating that there should be only two athletic clubs in the Valley and asking our club to amalgamate into their club. This request was denied after it was discussed by all members present.

The 1927 season was notable for one fact alone. This was the year of the "Grave Injustice", when the Hutt boys sat in their clubrooms waiting for a call before the start of the Wellington Championships. To get the full colour of the event here is an abridged version of a letter written to the paper by the club's publicity officer R.G. Freeman.

"Sir, It is my duty to make public the ignominious manner the members of my club were treated by the starter and officials at the Wellington Championships held at the Hutt Park last Saturday - i.e. by starting the race without the Hutt Valley teams knowing full well that they were ready and waiting for a call in the shed. We submit that the cause of our delay was the action of the officials themselves. At the request of an official, our Secretary, N.W. Craig, (a member of one of our teams) traversed a portion of the course to place two officials in their correct positions. This was four minutes before the scheduled starting time. In previous years our club has made a point of being at the start on time and never once has a race started on time. Last year at Masterton our teams had to wait thirty minutes for a prominent Wellington Club.

We had been informed that an official call steward would notify us when to proceed to the start. For fully fifteen minutes our teams were in their shed 100 yards from the start, stripped and ready for the call. Mr. J. Hunter, Manager of the Masterton club appealed to the starter, but was told to keep his counsel. The Hutt club had 24 runners waiting in their dressing shed for a promised signal from an official which did not come."

A more pleasant highlight of this season was the trip to Masterton to contest the Sanders Cup. Masterton finished up winners, but from reports written it was the social side that made the week-end. The new Masonic Hall proved inadequate to accommodate the large crowd. After supper, the Valley boys lined out in the middle of the hall and Mr. N. Craig on behalf of the club presented to Mrs. Shaw (Lady President of the Masterton Club) with the Sanders Cup. Mr Kitchener of Masterton presented Vic Smith, the winner of the sealed handicap with a handsome medal.

Another race on the calendar was the Ladies Bracelet. Presented by the ladies of the Club it was awarded to the competitor gaining most points over three races of $\frac{1}{4}$ mile, 1 mile and 2 mile handicaps in one afternoon. Andrews won narrowly from Holland and Hurly.

In 1928 the club had a notable first in New Zealand Harrier History, for in June of that year a ladies pack was formed. Seven to ten lady members turned out regularly each week for a three to four mile run. Some of the early members of this pack were: Eva Row, Florrie Row, Edna Powell, Kath Boswell, Molly Hodgkinson and Marjory Jones.

During these early years the energetic committee raised funds with a series of concerts, usually held in the King George Theatre. These were well attended by the general public and many a time a "full house" sign was displayed outside. Music was usually supplied by the Petone Maori Variety Entertainers who were the most popular group at the time.

Gordon Bayne, one of the club's most distinguished runners won the 1929 Ewart Cup in atrocious conditions. Sealed handicap for the cup was won by Dudley, Cocker, Saggars and Cutbush. The weather did not deter the ladies from holding their run and they covered $2\frac{1}{4}$ miles in fine style. Misses Rowe, Pilcher, Hodgkinson and Price, and Mesdames Smith and Dorne all ran well.

The 1929 Novice Race had a field of 15 and scratch man D. Matson gave up to four minutes start to the limit men. First home was C. McCarthy from R. Dudley and C. King. Fastest time went to Matson.

Five teams entered the Craig Rose Bowl race and the captains, V. Smith, R. Kent, D. Matson, G. Bayne and R. Johnson handed to their runners coloured bands, an innovation successful in all aspects as it gave their teams a chance to keep together, the faster men helping all they could to bring up their slower runners. Mr. N. Craig sent the field away and the order along Naenae Lane was Kent, Marshall, King and Matson. Coming out of the paddocks Matson led Kent by 20 yards, McCarthy, Dudley, Smith and King following. The rest of the field had then started to string out, there being a break of $\frac{1}{4}$ mile between first and last. On the last stage Matson moved 50 yards ahead of Kent and finished comfortably with this advantage in the time of 19 mins. 7 secs. Kent's time was 19 mins. 16 secs. Bayne and McCarthy were some yards back. Mrs. Dorne and the lady supporters entertained runners to afternoon tea in the Epuni schoolroom. The ladies section had their run from the home of Miss E. Rowe.

The opening of the 1930 season from the home of Mrs. Dorne at Norton Park saw the largest muster ever. Sixty members turned out and ran in their various packs. At the conclusion of the run a huge spread was quickly devoured.

In one of the Saturday runs over the Belmont hills a new member in the name of Archie Mack showed considerable promise by leading the field home by half a yard from such accomplished runners as McCarthy and Richardson. The club sustained a great loss by the departure of McCarthy for Palmerston North later in the year. He had joined the Club two seasons back and had a record to be proud of. He had the honour in 1929 of being in the Wellington representative team that won the New Zealand Championships.

The ladies membership rose in 1931 to eighteen members. In their Novice race of that year held at Hutt Park over 1 $\frac{3}{4}$ miles eight runners faced the starter. G. Pilcher (Scr.) was first followed by E. Collins (30 sec) Mrs. D. Johnson (50 sec.) and N. Stack (60 sec.). In the evening the girls organised a dance in the Hutt Park Pavillion in aid of club funds.

In August 1931 Vick Smith won his first of six club championships from top favourite L. Carmichael and twenty three other starters.

On the interclub scene during these years dominance was held by the strong Brooklyn and Scottish clubs although we had our share of successes against Masterton in the Sanders Cup.

This period from 1935 to 1950 relates to the rise and fall of memberships and the performances of several members and how the Club fared in Inter-Club events. Although these are shown elsewhere this will serve to bring back memories of performances in that particular year.

In the period 1935 to 1940 members did not have the number of Trophies to compete for as they have to-day. The membership consisted of Seniors until 1940 when Juniors were admitted to the Club. Prior to this the small number of Juniors competed in Senior Events.

In 1935 the only recorded results were that the Club won the Robbie Shield and Vic Smith who had won the Club Championships on a number of Seasons won the Craig Rose Bowls and Club Champs.

In 1936 the Club again won the Robbie Shield and the Sanders Cup from the Masterton Club and Vic Smith won the Club Championship.

In 1937 Thirty one Senior members were recorded:

The Club again winning the Robbie Shield and Sanders Cup. Here Vic Smith started to show a decline in performances; 1st in President Handicap; 2nd in the Sanders Cup; 3rd in the Club Championships. M. (Paddy) Patterson won the Craig Rose Bowl Race and was 2nd to Merv Busby in the Club Championships.

In 1938 twenty nine members were registered with the Club. In the Novice race held this season nine members faced the starter, six runners were disqualified for cutting the course, and the eventual winner was Frank Dumble.

It was surprising that only five members started in the Club Champs; Paddy Patterson winning the Champs and President Handicap and being second to Merv Busby in the Craig Rose Bowl the only Club success was the Robbie Shield.

The season 1939 was Ron Goss's best when he won the Craig Rose Bowl Race, first in the Robbie Shield Race, third in the Sanders Cup against Masterton, and second in the Saunders Road Race.

The Club won the Sanders Cup from Masterton, and again won the Robbie Shield.

The 1940 Season had twenty four members on the books.

It is here that we record with regret one of our members who was killed in the early part of the war, Charlie Talbert. He joined the Club in 1937 and was killed after only being overseas about a fortnight.

This season saw the first Junior Club Championship Race, a trophy being presented by Mr. C. Goddard (Life Member). Lou Brunetti being the winner.

This was Tommy Shaws best season winning the President Handicap and Club Championship, then was second in the Craig Rose Bowl Race and third in the Sanders Cup Race. E. (Ted) McGrath also had a good season first in the Craig Rose Bowl, Robbie Shield and Saunders Road Race being second in the Novice Race and third in the Club Championships.

The Club still held the Robbie Shield, this being the last time it was contest due to the war.

The 1941 season started with 29 members, but due to the war the attendance of members at runs and races was small due to many working overtime for the war effort. No contest was held for the Dorne Cup, Robbie Shield or Sanders Cup.

Lou Brunetti winning the Presidents Cup, Craig Rose Bowl and Senior Club Championship. Noel Taylor a Junior had a good season winning the Novice Race, Junior Club Championships, and Saunders Road Race and being second in the Craig Rose Bowl.

Although the Club recorded 24 members for the 1942 season, the Club had to curtail many of its activities, only four Club races being held they were the Novice race, Senior and Junior Club Championships and the Consolation Race. There were no Inter Club races held including the Provincial Championships.

Due to the small number of members attending Club runs and races it is recorded that seven runs were held from Secretarys' residence (Mick Petersen) including the Novice Race and Senior and Junior Club Championships. The other race, the consolation being held from the Patrons Residence (E. Hartley) at Seaview. The race was won by Ken Lockett. Noel Taylor won the Senior Club Championship in which only four members started. Ron Hammington won both the Novice Race and the Junior Club Championships.

The Club recorded its lowest membership in 1943, eighteen being recorded in its register. Again no contest was held for Robbie Shield, Sanders Cup and Dorne Cup. Although the Club races attracted small fields some well known names are recorded in winning these races and went on to win other important races in other seasons.

Novice Races five starters: Jack Neale 1st; Jack Crosbie 2nd;
Murray Smith 3rd.

President Race three starters: Clive Newlands 1st; Lou Brunetti 2nd;
Ron Hammington 3rd.

In the Craig Rose Bowl, eight runners started with two teams of four,
Lou Brunetti was the winner with Murray Smith 2nd; Jack Crosbie 3rd.

The Senior Club Championships had five starters, only three finishing.
Murray Smith, Jack Crosbie and Spencer Lawrence.

In the Junior Club Championships there were only five starters in this
race, won by Ken Lockett, Ron Hammington and Clive Newlands.

The Provincial Championships Vossellor Shield and Bennett Memorial
races were again instituted this season; the Club entering teams in
all these events.

The 1944 Season saw a rise in membership, 35 members being recorded in
the register. This year two members performed with distinction they
were Ron Hammington and Jack Crosbie.

Ron's placings are 2nd President Race; 2nd Craig Rose Bowl;
4th in the Dorne Cup; Won the Junior Club Championships; 3rd in the
Wellington Provincial Championships; 5th in the Wellington - V -
Canterbury meeting; 7th in the New Zealand Cross Country Championships;
and won the Craig Cup; this event run in conjunction with the Bennett
Memorial, and the Cup being presented to the Harrier Sub Committee
by Neil Craig a Life Member of the Club at that time.

This was Jack Crosbie's best season he was 3rd in the Novice Race;
won the Craig Rose Bowl; Senior Club Championship and the Saunders
Road Race; His outstanding win was the Dorne Cup, this event started
at the Y.M.C.A. Waterloo, and the course followed the New Naenae area
which was then underdeveloped. Several prominent runners from other
Clubs going off the course, which the Club was in no way to blame.

The 1945 seasons membership was maintained at 32.

The first race of the season, the Novice Race, has it recorded that
nine runners were disqualified for taking the wrong course, and that by
resolution of the Committee placed Rongo Furness, Ron Blandford and
Alex Gough first equal.

In Inter-club events the Club was gathering strength being placed
2nd in the Vossellor Shield, then going on to win the Bennett Memorial
Road Race.

Frank Kiddle a member of the Wanganui Harrier Club, stationed at the Pattie Street Army Station, negotiated with the Wanganui Club to have a run with them.

This was Bill Smiths' best season when he represented Wellington in the New Zealand Junior Championships.

Bills' other performances were:

1st in the President Race; 1st in the Craige Rose Bowl Race;
4th in the Dorne Cup; 1st in the Club Junior Championships;
2nd in the Wellington Provincial Championships; 7th in the New Zealand Cross Country Championships; 1st in the Clubs 5 mile Road Race;
2nd in the Vossellor Shield; 2nd also in the Craig Cup Road Race.

The 1946 Season showed an increase in membership to 45 members.

After a years negotiation with the Wanganui Harrier Club 28 runners plus officials and supporters travelled to Wanganui to contest a Shield donated by W.J. (Jim) Carr. The home Club taking the Shield; and what a week-end it was.

The Club won the Dorne Cup, its first win since 1926. This is an extract from the Evening Post of Monday 1st July "True cross-country courses within close proximity to the main centres are becoming exceedingly hard to find and the Dorne Cup of five mile at Petone included a lot of road work, officials had not reckoned with the southerly and a big section of the beach stretch was awash. The most significant feature of the race was the convincing display by the young team representing the Hutt Valley Harrier Club."

The team consisted M. Smith (2) W. Smith (4) J. Crosbie (7) R. Hammington (8) R. Blandford (15) W. Jones (24) M. Patterson (27) J. Cook (31) A. Roadley (36) I. Burns (38) making a total 192 points.
Scottish Club 2nd with 306 points University 3rd 330 points.

Other placings by the Club were:

2nd Wellington-Masterton Relay (this was the first year that this race was contested for Airforce Trophy).
2nd Place in the Vossellor Shield Race and
2nd in the Wellington Provincial Championships.

This was Murray Smiths' best season his performances were:

1st in the Hutt-Kaitere friendly run;
2nd Vossellor Shield;
2nd Craig Rose Bowl;
1st Club Championships; and
5th in the Provincial Championship. This was good enough to earn him a place in the Wellington Centre team.

Bill Jones, a Junior who ran 24th in the Dorne Cup earned himself a place in the Wellington Centre team at the National Championships. It is worthy to note; the Sports Post of Saturday August 10th 1946 had this to say - "Last Saturday's Wellington Provincial Cross-Country certainly helped the local selector (Mr. M. Gough) to pick his team, but it did not serve to emphasise the quality available as might have been reasonably expected".

This Junior event through a misunderstanding caused the Junior race to develop into a fiasco, several runners taking the wrong course, some following the senior course and was re-run a week later.

The 1947 Season ended with a membership of 50 members.

This was Noel Suttons season, as a Junior he won the Novice Race; 1st in the Combined Hutt-Masterton-Kaitere run; Winner of Junior Club Championships; being 2nd in the Provincial Championships; 3rd in the Craig Rose Bowl; then being selected to represent Wellington in the National Junior Championships.

This was also Noel Taylors' best season, 2nd in the President Handicap; 2nd in the friendly run with Kaitere and Masterton Clubs; His first placings were in the Craig Rose Bowl; Carr Shield; Dorne Cup; Club Championships; Saunders Road Race and the Bennett Memorial also being placed 2nd in the Vossellor Shield and Provincial Championships. He was then selected to represent Wellington at the New Zealand Championships as was Murray Smith.

The Clubs successes were 2nd in the Wellington-Masterton Relay Race, then winning the Carr Shield, this was followed by winning all the major races as follows:

Dorne Cup: with the following Club Members - N. Taylor; M. Smith; R. Carson; J. Cook; R. Goss; R. Blandford; N. Sutton; W. Jones; J. Crosbie; W. Smith.

Vossellor Shield Team consisted: of N. Taylor; W. Smith; M. Smith; R. Goss; J. Cook; L. Brunetti; R. Blandford; F. Kiddle; A. Roadley; M. Patterson.

Provincial Championships: with N. Taylor; M. Smith; J. Cook; R. Goss; L. Brunetti; R. Carson.

Bennett Memorial: N. Taylor; W. Smith; M. Smith; L. Brunetti; J. Cook; R. Goss.

Ingram Cup this being the "B" grade team in the provincial championships W. Smith (1) J. Crosbie (2) R. Blandford (3) other members being F. Kiddle; A. Roadley; K. Staples.

It is especially worth mentioning that the Dorne Cup was the only Sporting Fixture held in Wellington on Saturday 29 June, 1948 all other sporting fixtures being cancelled. Some 200 runners in this Inter Club event held from Petone West School had to plough through nearly a mile of water on Randwick Road which was eighteen inches or more deep in places.

The year 1948 was probably the best year with a membership of 52.

Colts being introduced into the Club for the first time. This was another good year for Noel Taylor having fastest time in the President Handicap, then 2nd in the Club Championship to Murray Smith. He followed with a string of 1st places; Sanders Cup; Craig Rose Bowl; Carr Shield; Dorne Cup; Bennett Memorial; Vossellor Shield; Saunders Road Race; Provincial Championships; New Zealand Championships and 20 miles in record time of 2 hours 5 minutes 54 seconds.

Allan McKnight a Junior, had a good season, being 1st Novice Race; Junior Championship; Provincial Championship; 2nd in the Dorne Race; 2nd Vossellor Shield; 2nd Craig Cup.

Noel Taylor M. Smith and A. McKnight were selected to represent Wellington at the New Zealand Championships.

The Clubs placing in Inter Club events were winning the Sanders Cup; Gough Cup; Dorne Cup; the team being (N. Taylor; M. Smith; J. Cook; R. Hammington; L. Brunetti; J. Crosbie; R. Goss; N. Sutton; R. Blandford; W. Jones); Shaw Baton (J. Cook; R. Blandford; R. Goss; L. Brunetti; M. Smith; N. Taylor); Provincial Championship (N. Taylor; M. Smith; J. Cook; R. Hammington; L. Brunetti; R. Goss); Vossellor Shield: (N. Taylor; M. Smith; J. Cook; L. Brunetti, R. Goss; R. Blandford; M. Patterson, H. Robertson; L. Brown; A. Roadley); Bennett Memorial: (N. Taylor; M. Smith; N. Sutton; J. Cook; L. Brunetti; R. Goss); Masterton Relay: (M. Smith; J. Cook; N. Sutton; J. Crosbie; L. Brown R. Goss; M. Patterson; L. Brunetti; R. Blandford; N. Taylor); This was a great last lap by Noel Taylor having to make up 2 minutes at the change over then winning the race over 2 minutes. I. Kennedy won the first colts Championships.

1949 was even a better year the Membership rising to 76 members.

The Club winning the Sanders Cup; Dorne Cup; Shaw Baton; Provincial Championships with 16 points; Ingram Cup "B" grade; Carr Shield; Vossellor Shield with N. Taylor 1st; M. Smith 2nd W. Smith 3rd in this event; Bennett Memorial; 20 Mile Gold Cup; the Napier to Hastings Road Race with M. Smith, W. Smith and L Brunetti recording fastest time for the race - and 2nd Wellington-Masterton Relay.

N. Taylor, M. Smith, J. Cook represented Wellington in the New Zealand Championship and R. Whyte was selected in the Junior team.

It is worth recording the following Club members being placed in Club and Inter-Club events R. Whyte 1st in the Presidents Handicap and Junior Club Championships; 2nd in Dorne Cup and 4th in the Junior Provincials. N. Taylor had fastest time in the Presidents Handicaps and 1st in Sanders Cup; Craig Rose Bowl; Dorne Cup; Provincial Championships and New Zealand Championship and 2nd in Club Championships. M. Smith 1st in Club Championships; Carr Shield; Saunders Road Race; Bennett Memorial; 2nd Vossellor Shield and Provincial Championships; 3rd in Craig Rose Bowl and 20 mile; 8th Dorne Cup; 16th in New Zealand Championships.

W. Smith also gaining these places - 2nd Sanders Cup; 3rd Carr Shield, and Vossellor Shield; 4th in the Club Championships and 20 Mile, 6th Craig Rose Bowl; 9th in the Dorne Cup and Bennett Memorial.

L. Brunetti also having a good season - 2nd in Sanders Cup and Bennett Memorial; 3rd in Club Championships and Saunders Road Race; 4th in the Craig Rose Bowl; Dorne Cup; Carr Shield; 5th in Vossellor Shield and 20 mile and 9th in Provincial Championships.

The members of the winning teams were: Dorne Cup (N. Taylor; L. Brunetti; J. Cook; M. Smith; W. Smith; D. Melrose; N. Sutton; A. Millar; R. Carson; R. Blandford.) Shaw Baton (J. Cook; W. Smith; A. Millar; M. Smith; L. Brunetti; N. Taylor.) Provincial Champs (N. Taylor; M. Smith; W. Smith; L. Brunetti; J. Cook; A. Millar.) Ingram Cup (R. Blandford; D. Melrose; N. Sutton; R. Goss; H. Robertson; F. Kiddle.) Vossellor Shield (N. Taylor; M. Smith; W. Smith; J. Cook; L. Brunetti; R. Hammington; D. Melrose; N. Sutton; E. Linton; H. Robertson.) Bennett Memorial (M. Smith; W. Smith; L. Brunetti; A. Millar; J. Cook; D. Melrose.) 20 Miles (M. Smith; W. Smith; J. Cook; L. Brunetti; H. Robertson.

The 1950 season finished with 74 members the Club again having another good season in Inter-Club events. Winning the Sanders Cup; Gough Cup; Carr Shield; Wellington to Masterton Relay with (R. Hammington; A. Millar; R. Sutherland; N. Sutton, E. Linton; J. Cook; M. Hall; D. Melrose; W. Smith; M. Smith) Dorne Cup winning team (M. Smith; D. Melrose; J. Cook; W. Smith; R. Hammington; N. Sutton; E. Linton; A. Millar; R. Sutherland; L. Brunetti.) Ingram Cup (F. Kiddle; E. Linton; L. Brunetti; A. Millar; M. Hall; R. Sutherland.) Vossellor Shield (M. Smith; W. Smith; J. Cook; N. Sutton; R. Hammington; D. Melrose; E. Linton; W. Jones; L. Ingram; E. Garden.)

Being placed 2nd in the Provincials; 3rd Shaw Baton; Bennett Memorial; 20 Mile and Anderson Rally.

This was a good season for J. Cook 1st in Sanders Cup; Craig Rose Bowl; 2nd Carr Shield; Club Championships; 3rd Saunders Road Race; 5th Provincial and Vossellor Shield and 10th Dorne Cup.

Don Melrose won the Club Championship this year M. Smith and J. Cook represented Wellington at New Zealand Championships.

MURRAY SMITH REMEMBERS WHEN

September 11th 1948 the day we won the Masterton Relay just didn't finish at the end of the race. Masterton Club were terrific hosts and held their usual dance at night

Lou Brunetti, Snow Taylor and I decided to come home in Bruce Owen's 1926 Nash. There were many stops on the way while the old girl cooled and after much pushing and shoving which would have done the Petone Rugby Club scrum credit, we finally reached the top of the Rimutakas. She had by that time boiled up and we could not find any water in the dark. However by devious means, as only boys could, we soon filled the radiator. With Snow and I pushing from behind, she coasted downhill. We reckon we were doing better than even time and we both made a dive from each side, nearly knocked ourselves unconscious when we banged heads in the back seat.

At 4.45 a.m. we arrived home in Petone and after one more push set Bruce off on his own towards Moera. In those days the old Pipe Bridge crossed the Hutt River and we heard later that the old girl petered out on the bridge. A traffic officer came to his rescue and gave him a push to get going again. He must have very nice as we discovered later that the warrant of fitness had expired and Bruce had been doing plenty of praying.

I never did find out what happened to the old car but I'll bet she could tell some great stories.

and

On September 10th 1949, seven members journeyed to Hastings for the Napier-Hastings Road Race. This was the first occasion we had entered this race, the previous longest distance we had run being the 10 mile Vosseller Shield.

As we had no transport in those days, my brother Bill and I caught the Auckland Limited at 7 p.m. on the Friday as far as Palmerston North transferring to a Newmans bus and eventually arriving in Hastings about 1 a.m. By the time billets were sorted we eventually dozed off to sleep at 2 a.m.

Handicaps for the race were Snow Taylor off scratch, myself off 30 secs. Bill 1.45, Lou Brunetti (our wonderful Club Captain in those days) 2 min. 15, Jim Cook 4 min, Rongo Furness 14 mins. and Dick Morris 16 mins. It was some race as we were strong road runners. I remember being quite elated because I was taking time out of Snow but I could just see Bill in the distance at odd times and found I was making no impression on him. Nobody else noticed it but Bill that day was really flying and the hot weather suited his light frame. When it was all over we found we had won the War Memorial Cup for the four aggregate points by taking the first four fastest times.

1. Bill 71.51 2. Myself 72.36 3. Lou 72.51 4. Snow 73.11

and this was only a couple of weeks after Snow had won the National Championship.

Well like I've said before the excitement didn't finish there - Snow asked me if I would ride home with him on the back of his motor-bike so after seeing Bill off in the nice comfortable Newmans bus, we took off. After 3 punctures we thought everything would be alright, but then the throttle cable broke and I had to almost climb on Snow's back and hold the cable while he organised the clutch and brakes. It was quite hair raising, guess what time we arrived home ... 8 p.m but on the Monday night just 24 hours adrift.

BOB JOHNSON

Tells the story of the Saturday there was a breakdown job in the Railway workshop, and he was in charge of the machine work on a new axle. The boss gave order for everyone to work through until the job was finished.

"But" protested Bob, "I've got to run in the harrier race this afternoon".

By careful organisation, Bob had everyone working steadily on the job, and then stepped into his running gear, went off and ran in the race. Back on the job in less than an hour, he supervised the final stages, and no-one knew he had been away.

The next week there were some puzzled faces when his workmates read about his win in the race.

A NOSTALGIC LOOK AT THE CLUB - 1950 TO THE PRESENT DAY

R.W. Morris

Around the time that I joined the club, circa '48 Hutt Valley Runners seemed to have somewhat of the monotony of Mark Twain's boyhood diary... got up.....washed my face.....went to bed. The Hutt Valley Club appeared to go to the race venue, ran in the race, collected the trophy and went home, or so it seemed to the newcomer. Halcyon days indeed.

This, of course, does less than justice to the folk of those days, not only the runners, but the back room boys. The super efficiency of Mick Petersen ensured that no entry from Hutt Valley was even queried and that all formalities had been attended to. Len Price and Lou Brunetti had the runners fit for competition and there was intense rivalry for the last places in the team. The history section shows the statistics and memory is jogged for the incidents and characters.

Following that, was the chapter where the club was in the role of bridesmaid. Not a winner, but not far away. This was still a great era in the club saga, as it was a time when the social side came into its own. Hutt Valley club in the fifties was a friendly affair, the killer an instinct in races was temporarily shelved, the club provided many administrators in wider fields and best of all, from colts up was becoming the nucleus of good teams. Bob Mitchell was in the middle of a representative career with every date bar from '51 to '59 on his pocket. Good performances too including twice in succeeding years 3rd to Halberg and Scott in the mile and 3rd once in the 880 yds. N.Z. Championships. Norman Read had left the club and the district when he won his Olympic medal, but still qualifies for inclusion in our history. Ernie Davis, the long striding, youngster, was starting the career which gained him representative honours and two fifth placings in N.Z. Championships. His contribution in other fields has been considerable. Club Secretary, committeeman and newsletter editor - Ernie the reliable. The sixties with an upsurge in club strength, Ron Stephens to Ulric Drake. It is heartening for team members not to have to worry about the man in front, he is one of ours, and for the officials, well there is that feeling of pride. We saw Ron Appleton as the first winner of the Bill Owens trophy for colts at the Centre Championships and the winning team was Hutt Valley - Good years again.

Through the years like the pattern in the tapestry runs the Dorne Cup; By this time, the Dorne Cups and trophies for Senior, Junior, Women, Colts, Junior Colts, Junior Women - what good and popular races, even if the leading eighteen runners do run off and leave our own Don Melrose, Murray MacKenzie and Ron Hammington out in front, or Bill Gaudin and Arch Jelley dead heating at Silverstream. It was ten years before Bill received his medal - Dorne medals were treasured.

In another centre, there was an exhibition of medals won overseas by a local runner. This was publicity for the N.Z. Championships held there that week. Occupying pride of place in the centre of the display, we Hutt Valley members were most happy to see a Dorne Cup Medal.

Amongst the many champions in sport in recent years, we have had Ron Hammington, Wellington Champion in marathon and cross country, Warren Evans, table tennis; Don McNab, champion walker; Ted Benton, N.Z. Champ in junior 800 metres and Glen Smith, junior champ N.Z. in 400 metres and member of the Wellington team which broke the N.Z. 4 X 400 metre relay record and won the N.Z. Championship. Others to prove the value of a good harrier background have been the three Lee Brothers, all gymnastic champions and Ross and Robert being N.Z. representatives. Long time member Tom Hurly served a term as Mayor of Thorndon, doing a worthwhile performance and task for charity for a year. Dave Leech, with N.Z. hammer throwing titles to his credit and his discus throwing son Mathew, would testify to the merit of running in the Hutt Valley Club. When the first official women's harrier team attended the world champs. in San Sebastian, Spain in 1971 it was a Hutt Valley women's manager who was chosen and where better to go for a manager for the men than Hutt Valley Club - well done - Jim Cunningham and Ellen Morris.

We have not, as far as my records go, produced any astronauts, but went close on one occasion. In conjunction with the popular Napier Hastings Road Race, the Hastings club ran a teams race for the four fastest times from one club. In the initial contest, current N.Z. harrier champ, Snow Taylor, on an 80°F day, had to take fourth place to Bill Smith, fastest, Murray, second fastest, Lou Brunetti, 3rd and Show Fourth. A little celebration seemed in order and interested parties hid themselves to the nearest hotelry. On foot, that is, except Cookie and Show Taylor, who went on Snow's motor bike. These two easyriders got as far as the first intersection where Snow made contact with a car and Jim Cook left Snow without even a word of farewell and landed on the car bonnet. Fortunately it was a sturdy make of car and came to very little harm, bonnet wise, that is. Murray was persuaded to make the return journey to the Hutt as a pillion passenger and after a hectic two days he was back home. Even now, and time must have arased some of the more painful details from memory, Murray shudders at the thought, but he does not wake up screaming quite as often. Murray, until Bob Michell took the title, had the greatest number of consecutive appearances for Wellington. However, Murray's daughters, not knowing him the days when he was able to dominate a field, saw him only as a member of the slow pack, albeit one who ran every time as hard as he could until condition ran out. One girl then saw him in the President's handicap when Murray was using his handicap to advantage, greatly excited, called to her mother to come and look " Quick mum, there is someone behind Dad". No event was ever quite like the 100 yards championship at the club picnic. The trophy might be a tiny brass cup, or a magnificent chocolate fish - engraveable, of course.

The lame, the halt and the blind, all entered. If you didn't think you could win, well, you challenged someone of about your own ability and had a race within a race. Picnics were always held in summer, not so much because of the weather, but because it took at least a week to get over one. In fact, Mick has not yet recovered from last year's one.

The social side was always well catered for. For a long time there was a regular round of parties where harriers could get into corners and talk running, where the ladies would produce marvellous suppers, where there might be up to a dozen youngsters parked on beds while their elders and betters bowled the odd flagon, ate the odd oyster and cut an occasional tie. There may have been places where the harriers were not asked back and there may have been one place where the long awaited party never materialised, but all in all, club spirit and fellowship would have reached its peak. There were several Ron's in the club, one of those was seen wearing a lamp shade like a halo. A pretty hot halo and it may be that he hopes that his next halo won't be quite so fragile. A word here on Matt, the virtual father of the club to all who have joined in the last few years. For many seasons, Matt represented the Club on the Harrier Trust Board, for much of that time as chairman. This was recognised, when he became unavailable for delegate, by the Trust Board electing him as a permanent member, the first to be so honoured in the 40 years of the Trust history. Jim Cunningham would have quick reflexes and he would not deny that this has been an advantage. Would he remember when they were not? Would he recall an occasion when it was necessary to foregather near the Owen Bridge to talk harriers. When Ron Ham arrived late ... unusual - did you say? and Ham pulled out his purse to pay... unusual - did you say? and something fell on the floor, James owned the large foot that crashed down on the object and James was the possessor of the voice that said, "Heads". Ham was the owner of the by now, tired looking partial plate in ruins. Not quite the face on the bar-room floor. Remember the rumblings in the club when Hammy was giving the relay team the works and runners were heard muttering that they had to go training so as to stand up to the training Ham was making them do. Talking about the relay, we have never won the Rimutaka trophy. Maybe because we have always tried hard all the way for the other.

Geo Russell and Ossie Melville of the Wellington Scottish Club, with the concurrence of the club, started an interchange of visits which promised much for the jogger, or super slow pack runner. These were encouraged to take bus fare as the route for the run took the unwary from Petone West School up the Mill Stream and back. The virtue of taking bus fare was, that by the time the runner had reached the Grand National Hotel on the way back, either he was convinced that he wasn't going to live anyway, or that he was fit enough to run back unaided. In either case, it seemed a good idea to spend the money where it would do most good, right there. While this proved a popular affair for the Mill Stream Meteors, the rest of the runners suffered a lack of communication and the project died quickly.

A pity, as the original idea was to break down the reserve that existed or appeared to exist between Scottish and all other clubs. However, now that they are not at the top of the tree, this seemed to have vanished. This would have been the first serious attempt to get the two clubs together since they had played rugby for the Ingram Cup pre-war.

The parent club, Olympic, has always maintained an interest in the club, and parental-wise, has not hesitated on occasion to administer a mild thrashing on race day. Our runs each year, when the symbolic gesture of the handing over of the Perston Trophy to the host club on the day, give a reminder to each Hutt Valley runner that we did not just grow like Topsy, but were started and our welcome is that of a family affair. No doubt, seeing that it was in the family, so to speak, that the Olympic club saw the funny side on the occasion after Bill Jones was hurt out back of Karori. He was carried to the road, taken to hospital by Jack Perston and with all the excitement, no supervision was made at the afternoon tea table. Too bad, Hutt Valley had taken two colts for the run that day and they had swept the table. The only smile was on the face of Rongo and that because he was to play Bill's drums in the Pitonian orchestra that night. Did he do the pocket knife story or the duck shoot mime for the crowd?

Contests with the Wairarapa clubs, Kiatere and Masterton and then Masterton only, after amalgamation, provided members with competition and more important, lasting friendships. Trips were not without incident, Ron Hammington was called back on the course, in an action typical of the sporting spirit existing. Typical, too, of the competition, Ham then beat his friendly opponent, Graham Holmes for first place. Trips over the hill were enlivened by the club song and when repetitions palled, any song, to the music of Murray and his accordion or Tom Hurley and the mouth organ. Coming home in the wee small hours seemed to require so many more comfort stops due to fatigue or other unspecified complaints. Individual travel in small car parties lost some of the camaraderie although making for more comfort and a more relaxed runner. It did do something for the old ulcer when the bus backed up on the hill and the runner sat on the edge of the seat worrying about every arriving, arriving too late for the start or too late to have a snack in ample time to give his digestion a chance. An what of the disappointment of the Hutt Valley fellow who went to the fish shop after the race, gave his order to the waitress on hearing the menu and looked in disgust at his fish. It was not the fault of the waitress that she had a cold and he was slightly deaf. He thought it was turkey on the menu and the waitress guessed he wanted the tarakihi which was a feature of the cuisine. George swallowed both his disappointment and the fish.

Any mention of the personalities who have enlivened our years in the club must include the name of Father John Goulter. A qualified coach, long time athletic official, jogger extraordinary, he became a familiar figure and a treasured friend. While he seemed to run more for the cup of tea at the end of the day, who could forget his epic struggles with his good friend, Ernie Beattie. It mattered not where the rest finished, these two enjoyed their competition. In addition to coaching, Ted Benton and Father Walls to championship standard, John made sure that any boy still around when he was setting out for the clubrooms, came along too, not for the ride but for the run. Every club member turned out to farewell him when he departed to St. John's in Hastings.

The quiet unassuming workers in the background deserve more than just a perfunctory mention in dispatches. Where would the club have been without Noel Sutton and Colin Drake, courses organised, things done, people transported and flags brought in. Someone does it, sure. Does it have to be the same folk all the time? Thank you, Noel and Colin. There will be others on that list but of shorter service of course.

Vice Presidents are normally on the official list for the donation but the Hutt Valley ones seem to be chosen for their interest in our sport. The Right Hon. the Prime Minister, Sir Walter Nash, was very keen on harriers and our club. On one occasion he left New York, flew straight to New Zealand, had a two hour caucus meeting and came on to our end of season function. He did not show his fatigue and we could only guess at it. He is well remembered. The Hon. Mr. Mick Moohan also attended regularly and was very keen on sport; as was Mr. Combs. Their worships, Percy Dowse of Lower Hutt and Joe and Annie Huggan of Petone have also been taken into our hearts. Mr. Dowse alone knew how much his authority helped in our leasing of the present clubrooms at a reasonable rental. Mr Huggan was a familiar figure at our banquets and there must be some harrier homes where his poetry is nestling in a scrap book. Those present would remember seeing him listening attentively to the previous speaker and then scribbling his poetry on a scrap of paper and the poetry would be amazingly apt. Mrs. Annie Huggan, we are very pleased to say, is still a frequent and well loved VIP and is also in the prize list as the donor of a trophy.

Like all histories, more has been left out than has been included. This is because of restriction of space, not because of other considerations. To list all the happenings, all the worthwhile people has not been possible, for, after all it took fifty years for this to come to pass and there just isn't room or time.

FIFTY YEARS ON

One of the most significant factors affecting Hutt Valley Harriers in the last decade has been the 'running boom' which began in the late seventies. The Athur Lydiard doctrine of 'long, slow distance' and the world-wide resurgence in achieving health and fitness through exercise saw people of all ages and shapes lacing up running shoes and taking to the pavements and parks.

The club was not slow to capitalise on running fever and its ranks swelled to surprising proportions. Club runs at the start of the 1983 season saw close to 150 runners and joggers taking to the streets. No less than 3 medium pace packs, each averaging 25 runners have become necessary to maintain control and safety. There are of course still the fast, slow, joggers and childrens' packs. Thus the sea of tangerine and black uniforms flowing away from the clubrooms each Saturday afternoon would amaze our forebears.

Earlier club historians reflected on people "standing and gaping" at harriers. Today the footpaths are so liberally sprinkled with runners that Valley people scarcely find them worth a glance - unless of course their physical qualities kindle interest.

There have been other developments of significance. One of the most important is that families have come to realise harriers is a sport they can collectively enjoy. The Mayor and Mayoress of Lower Hutt, Sir John and Lady Kennedy-Good who have maintained a keen interest in the club since they took office have often publicly referred to our strong family involvement and to the obvious value this has in strengthening bonds. These sentiments have been echoed as frequently by the Member for Hutt, Mr Trevor Young, another faithful club supporter.

A third significant development has been the number of women who have joined, many of whom have asserted themselves as competitive and competent runners. Club secretary, Liz Eade set a new veteran woman's record in the 1982 Centre marathon championships and Masterton. Mabel Sue, Joy Nicholls and Helen Watt have each figured prominently in prize lists and Ngaire Franklin won the women's 45 to 49 age group in the 1982 Fletcher marathon. And they have not confined their efforts to the road as women now form a significant sector of the club's executive, and Bonnye Rae has proven an outstanding womens' Club captain.

The marathon's popularity has seen many members, male and female involved and no less than 44 started in the 1982 Fletcher Marathon. The long hours of training have been reflected in performances. Rob McGregor's fifty-plus starts have seen him almost invariably in the prize lists. Relative new-comer, Gerrard Maarhuis in only his second marathon at Hastings in 1982 romped into 5th place.

On the debit side, the commitment to marathon training and the 35K Sunday runs have taken their toll on house and garden maintenance. Around most marathoner's homes are signs of a new disease called "runner's rot." This could prove fatal to domestic harmony, but fortunately most spouses run too and are usually equally tired.

Running is no longer just a winter sport. A continued schedule of summer road races and marathons has seen the development of an informal summer club which involves Sunday runs followed by picnics and barbeques, again with wide scope for family involvement.

The club's contribution to the centre's summer season was the introduction in 1979 of the "Hutt City Classic". Initially, a 12K road race, it was reduced to 10K in 1981 to meet the general preference for that distance. The brain child of Brian Goss and Rob McGregor, Rob took sole charge when Brian transferred to Auckland. Since, his organisation and sponsorship arrangements have made the event an unqualified success with top athletes from Wellington and further afield competing for excellent prizes.

One of the club's greatest assets is the strength and experience of its key executives. Bill Merrick has led 'from the front' as president for 9 of the last 10 years, Clive Chandler saw to administration for 6 of those years and has assisted the secretaries for the past four. Rob McGregor has seen to the club's finances for the past 4 years and was club captain for as long.

The appointments of subsequent secretaries Bob and Jenny Paul and latterly, Liz and Jim Eade and the current club captains, Dennis and Bonnye Rae and Stuart Mills has seen continuity of standards.

Our officials have not confined their talents to this club and in the past 10 years, Wellington Centre's Harrier sub-committee lists have been almost a mirror image of our own.

The strong administration has made sure Hutt Valley maintained its reputation for looking after all its runners and not just those who excel. A club run that turns up the whole spectrum of occupations found in the wider community - scientists, chemists, accountants, lawyers, clerics, salespersons, soldiers, policemen and tradespersons, all bound by the common aim of keeping one foot in front of the other.

But in spite of a buoyant spirit and much socialising, Hutt Valley can make few claims to competitive excellence. In the last decade we have produced only 10 centre representatives and two Wellington champions, and a winning junior team. A senior team won the B grade section of the 1981 Wellington to Masterton relay and in the 1982 Valleys relay A & B grade teams picked up prizes. But in spite of limited successes performances continue to improve as evidenced by no less than 3 club C grade lap records falling in the 1982 Wellington/Masterton relay.

Club champions in the past 10 years have included (cross country) R. McGregor (4), R. Stephens, A. Wallis (2), M. Wilkins, J. Denholm and G. Maarhuis, and (rod) R. McGregor (7), M. Wilkins and R. Stephens.

The best women's performance undoubtedly came from Anita Dee including selection for the 1980 national road championships. Bruce McKeve and Neil Blaney were successful in centre junior and colts events during 1973-75. In 1978 colts P. Lucock, S. Malanchak, C. Rogers, and M. Moran won the centre cross-country championships. 1982 saw M. Highams running extremely well in centre events culminating in 5th place in the national road championships.

A fourth phenomenon of the running boom has been the development of a strong new grade of runners - the veterans. Picking up Lydiard's challenge, those over 40 (or 35 for women), who would once have swapped their spikes for a recorder's clipboard just keep on keeping on their running shoes.

Ted Linton dominated the club's veteran class for most of the decade but from the early 80's 'youngsters' of 40 or so eventually shouldered him into the slow lane. However, Ted, Gordon Smith, Vern Smith and Noel Sutton, all in

their 50's still show many of the club's young runners clean pairs of heels.

Determined to go down fighting Ted Linton ran magnificently in 1980 to take the newly presented Bill Merrick cross country veteran's trophy. But Bob Paul wrested it from him and Joe Franklin 'burgled' it the following year.

Ted Linton, Gordon Smith and Joe Franklin have all figured in the Fletcher Marathon Veteran's prizes and Jim Eade has potted a number of age-group marathon prizes in the last year.

The level of interest amongst veterans has led to a dirth of officials, but thanks to old faithfuls with the sense and grace to hang up their running shoes, like Ernie Davis, Dick Morris, Archie Mack, Alec Kettles, Clive Chandler, Jock Crosbie and Bill Merrick recorders, marshalls and time-keeper can still be found. Neither foul weather nor abuse deters them. Without them the club would indeed be in dire straights.

They get few "thank-yous" but these efforts are recognised and appreciated by all.

Harriers is often a story of pain and determination to fight off illness and run through injuries. Hard-earned fitness is not thrown away easily. Undoubtedly the greatest tale of triumph over injury involving a former club member, relates to Mike O'Callaghan.

Mike resigned from the club in 1974 to transfer to Christchurch. In an industrial accident he lost a forearm and was severely burned and the burns extended to the sole of one of his feet. His injuries presented an almost insurmountable handicap to athletic fitness. However Mike's remarkable fighting spirit saw him struggle back to capture, then reduce a 5,000m world record for the disabled section of our sport. Hutt Valley Harriers salutes his bravery and takes his example as a lesson when tempted to pack it in through minor injuries or psychological setbacks.

The decade has also been marked by the passing of some old comrades who had given willing service over the past 50 years. There is a regrettable though inevitable sequence in a club as old as ours.

Mike Peterson, a faithful patron for many years attended the 1981 prize-giving and addressed the club in spite of poor health. He told member he would do his best to be at the 1982 ceremony, but death intervened.

Mrs Annie Huggans, fortunately still with us, also made the 1981 end of year function in spite of some infirmity, but was unable to be with us last year. Mrs Huggans still maintains her interest in the club however, and the executive makes sure she is kept informed of developments.

The club moves now into its seventh decade. It can do so with pride and confidence. Unlike its members and executive it never grows old. Now and in the future it provides us mere mortals with our own kind of heaven midst blisters, aching tendons and still muscles. Hutt Valley Harriers is a resource which, if cherished and nurtured will serve not only us but our children and grandchildren. Let us never forget it.

JOE FRANKLIN

PAST WINNERS NEW ZEALAND AMATEUR

ATHLETIC CHAMPIONSHIPS

From 1915-16 to 1918-19 no competition on account of the Great War, and also from 1940-41 to 1943-44 on account of war.

From 1969-70 Track events were changed to Metric distances.
